

By Subway - We are located at Sinnonhyeon Station on subway line 9. Both the “all stop” and “express” trains of line 9 stop at this station. At Sinnonhyeon Station, exit 3 will take you directly to the basement of our building, “Urban Hive”. We are located on the 11th floor.

By Taxi - Show this page to your taxi driver, who should be able to find our location using the Korean map above and the address in Korean below.

From Incheon International Airport (ICN) - The most convenient way to reach us from Incheon International Airport is to take the Airport Railroad and subway. From the arrivals hall, follow the signs for the “Airport Railroad”. Make sure you take the regular “all stop” train, not the “express” train. At Gimpo International Airport Station, transfer to subway line 9. Here, you can take either the “all stop” train or the “express” train, all the way to Sinnonhyeon Station. At Sinnonhyeon Station, exit 3 will take you directly to the basement of our building, “Urban Hive”. We are located on the 11th floor.

From Gimpo International Airport (GMP) - From Gimpo International Airport there is a direct subway connection to our building. At Gimpo International Airport Station, you can take either the “all stop” train or the “express” train, all the way to Sinnonhyeon Station. Take exit 3, which takes you directly to the basement of our building, “Urban Hive”. We are located on the 11th floor.
